ABOUT BNMI

The Boston New Music Initiative is a 501(c)(3) non-profit organization dedicated to maintaining an international network of composers, performers, conductors, directors, and champions of music in order to generate new music concerts, compositions, collaborations, and commissions. Incorporated in 2010, the organization aims to advance the careers of its members in the field of new music by serving as a resource for networking, professional development, commissioning, collaboration, and programming.
